Do you struggle to enjoy everyday conversations and feel disconnected to people when:

- In a noisy restaurant?
- At a dinner party with multiple conversations?
- In your car, hearing passengers over road noise?
- At holiday gatherings with relatives who may not understand your hearing loss?

This session will provide basic communication strategies to handle the toughest hearing situations and understand your role in effective communication. Audience members will be encouraged to share their particular hearing challenges in a lively rap session. Our speaker will share communication tips which empower everyone in the listening situation to feel heard and understood.

The Hearing Loss Association of America-Sarasota Chapter offers education, advocacy and support for those with hearing loss and their families. After Hours meets every other month - (Jan, Mar, May, July, Sept, Nov) at 6 pm. We also have meetings featuring expert speakers on the second Wednesday of every month at 1:30 pm at the North Sarasota Library. Meetings are always open to the community.

Individual mentoring and support sessions are available for anyone in need at no cost.
